Resources & Naloxone Training (3-4pm)**

WHERE: Neighbourhood Church (formerly Southside Community Church) 7135 Walker Ave., Burnaby

The Empty Chair Campaign, initiated by Overdose Awareness Manitoba and Moms Stop The Harm, focus is to raise awareness of overdose and reduce stigma around drug related death. During the month of August, paint a chair purple and place it in your garden, on your balcony or front step. The empty chair is a visible representation displayed in remembrance of a loved one lost, missing from your family table.
