

International Overdose Awareness Day

INTERNATIONAL OVERDOSE AWARENESS

Pop in with your brown bag lunch and learn. #TogetherWeCan, we're highlighting the strength of coming together & standing in support.

Come hear the voices of Moms Stop the Harm, Westbank First Nation, & many community partners. Let's remember the tenacity of our community as we lean into the power that we can have when we work together. The tragedy of overdose can affect anyone. #TogetherWeCan #EndOverdose #OverdoseAwareness.

August
28

WEDNESDAY
